Mercury Corner

Shaped to fit your team's needs

watsonconsoles

Practical Performance + Smart Design

Mercury Corner gives you the freedom to plan a console layout that's right for the specific needs of your communication center. We know space constraints can make layout planning difficult, but the entire Mercury collection ensures you never have to compromise comfort or functionality.

PROUDLY MADE IN USA SINCE 1986

LIFETIME WARRANTY +10

Slat rail monitor system supports a variety of user created configurations. Monitor array is electric height-adjustable.

Steel lifting columns provide up to 26" surface height range of travel.

Tackable privacy screens create functional privacy. Acrylic upper section controls sound but preserves sightlines.

Technology Bridge includes robust cable management and an active cooling system for PC longevity.

Hub cabinets provide a dedicated power/data infeed and one ten-outlet 15amp powerstrip per side.
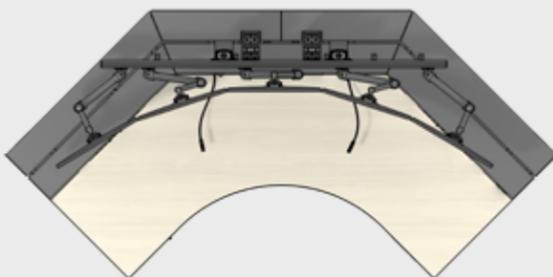

Spacious Cockpit Design:

Putting all your equipment within arm's reach. Mercury Corner offers the traditional 90 degree console design that has become an industry standard.

Planning Flexibility:

From theater style to the classic bull pen. Mercury Corner paired with Team Tables, or other Mercury linear consoles, give you the freedom to plan highly functional layouts for your team.

Mercury CORNER
at a glance
