# Trust. Service. Value.

We are committed to supporting our product and our customers for a lifetime. That's why we not only build exceptionally durable consoles, we back up our product with unparalleled service and our strong **Lifetime Plus Ten warranty.**

## Lifetime

A lifetime warranty on **all** parts manufactured by Watson, **at no additional cost to you.** No subscription plans, no fine print. If any Watson part fails at any time while installed with the original console purchaser, it is covered. This includes wood and metal parts such as worksurfaces, cabinets, doors, and screens. We believe so strongly in our unique approach of combining wood and steel that we will cover it **for the lifetime of the product.** This includes freight, and even labor for the first five years!

## Plus Ten

Our history in the consoles industry has created partnerships that no other manufacturer can equal. We select our partners with such care that we extend our protection to **their** parts as well—for **ten years.** This includes electronics and buy-out parts such as lights, switches, lifting columns, and climate controls, along with associated freight, and even labor for the first five years! **Watson offers long-lasting products with exceptional support.**
